Interests

Business

Understand how it works and discover all the secrets behind its success

Personal Development

Insights into human psychology, marketing and business

Sports

I have practiced many sports and I still don't limit myself to practicing just one.

Softs Skills

Team Work & Leadership

During dev projects ad UNI, CLab UniVR
Work and Social Collaboration

Precision & Goal Oriented

Since I was young...I set a goal and I work no matter what towards it

Problem Solving

Experienced not only during Brazil Volunteering activities but also on a daily basis

Flexibility & Resilience

I love dynamic environment where you can dare and fail quickly

Non IT Skills

Social Media Manager

Developed for Mountain & Fauna Lover

Video Editing

Mainly on Final Cut Pro

Sales

Experienced during my seasonal job at the ebike shop

Volounteering Activity

June
2024

Volunteering in Brazil – Don Mazza Merit College

Selected through a competitive process to participate in educational and social support initiatives for children and adolescents in disadvantaged communities. Contributed to after-school programs, creative and literacy workshops, and activities promoting inclusion and well-being in an intercultural environment.
Strengthened teamwork, leadership, communication, and problem-solving skills through collaborative project work.

June
2021

Downhill World Cup in Val di Sole

- Track controller
- Recovery of electronic devices from athletes.
- Trackside controller

2022

Personal Project

Mountain & Fauna Lover

This is my Personal Brand that I created to share online my passion for the mountains and the animals that live there. It led me to establish collaborations with important brands in the sector such as Swarovski Optik or Ollin

Work Experience

2019

-

2021

Ebike Shop in San Bernardo, Val di Rabbi (TN)

My Summer job duties were:

- Tourist/Alpine Guide
- Ebike Mechanic
- Social Media Manager
- Shop Manager

2025

-

Now

Digital Brand Manager & Web Designer

I created the website and revolutionized the online presence from the Google Business account home to third party review sites of the Ristorante Al Cervo restaurant in Val di Rabbi (TN).

Now I'm currently maintaining and updating the website
