Dear Simone,

Congratulations! The New York Business Fellowship has reviewed your application and it is our great pleasure to offer you admission for the Winter 2026 Cohort.

We have determined that your achievements, experience and grit make you an exceptional Fellow for our program. Your application stood out, not only for your individual accomplishments and ambitious plans, but also for the unique perspective and value you will bring to our community of Fellows.

As a New York Business Fellow, you will embark on an intensive 7-day immersive experience in New York City designed to transform you into a true insider. Through exclusive mentor sessions with industry leaders, hands-on workshops, behind-the-scenes company visits and curated networking events, you will gain unprecedented access to the city's dynamic business ecosystem and build meaningful connections that will shape your personal and professional trajectory.

Condition of admission: your enrollment in the program is contingent upon completion of down payment to secure your spot by the specified deadline.

This letter serves as formal documentation of your acceptance into the New York Business Fellowship. We anticipate your meaningful contribution to our community and look forward to your participation in this transformative experience.

Sincerely,

Giovanni Gallina & Carlos Tacchetto
